

## **BSR Bioeconomy Council and PA Bioeconomy meeting Copenhagen – May 9/10 2019**

PA-Bioeconomy invites to an extended meeting of the BSR Bioeconomy Council in Copenhagen May 9/10. The first day will focus on trends of the bioeconomy in the BSR and the second day will zoom in on the work carried out in PA bioeconomy, including the upcoming revision of the EUSBSR Action Plan.

The programme is developed in cooperation with the Esben Lanthén and Mads Wolff at *Nordic Sustainability* and they will also stand for the moderation at the meeting.

### **Objectives:**

- Create stronger engagement of participants in council and PA bioeconomy
- Involve participants in trend analysis
- Get input to revision of action plan
